FREEMAN cart service

CART SERVICE is a new feature for Privately Owned Vehicles only. This service will be available for a nominal rate of \$45 per trip with a maximum of two trips. Workers equipped with a 3' x 4' flat cart will assist Exhibitors with unloading for a maximum of one cart load per vehicle of 8 pieces or less weighing 250 lbs. total.

CART SERVICE IS:

- Aimed at exhibitors requiring minimal assistance to move in and out of the outdoor lots.
- Intended to allocate valuable loading space and provide cost-effective labor crews during the move-in/out process.
- Intended as an integral part of an overall plan to minimize disruptions to the ongoing movements of forklifts, crates and other large exhibit materials during the move-in/out process.

Exhibitors who require equipment to unload must use Material Handling Services. Please refer to the Shipping and Material Handling & Shipping Section of the Exhibitor Services Manual.

CART SERVICE IS AVAILABLE AT THE FOLLOWING TIMES:
