## SATELLITE DISH PLACEMENT

The Las Vegas Convention Center and Freeman have developed criteria for the safe and success installation of satellite receivers and antennae at two locations around the convention center.

Based on the size of your antenna equipment and location of the extension's final destination, your equipment may or may not be placed on the roof of the Las Vegas Convention Center. **Dishes larger than one (1) meter are not permitted on the roof.** All equipment placement is based on a first-come, first-serve basis.

Roof and ground placement must be coordinated through the Las Vegas Convention Center Engineering Office at (702) 892-0711 and Freeman at (702) 407-4696.

For Satellite Dish or Antenna Rentals, please refer to the GWRC-LLC Satellite Communications Service Order Form located in your Exhibitor Service Manual or contact them by phone at (800) 731-9716 or by email at [sales@gwrc-llc.com](mailto:sales@gwrc-llc.com).

Please be advised that you are required to provide the information listed on this page.

A FREEMAN representative will contact you to coordinate and schedule the placement of your satellite dish

### Please check the appropriate boxes:

Booth Location:

- |  |  |
|--|--|
| <input type="checkbox"/> NORTH HALLS   | <input type="checkbox"/> SOUTH HALLS - LOWER |
| <input type="checkbox"/> CENTRAL HALLS | <input type="checkbox"/> SOUTH HALLS - UPPER |

Dish/Antenna Size:

- |   |  |
|---|--|
| <input type="checkbox"/> SMALLER THAN ONE METER | <input type="checkbox"/> LARGER THAN ONE METER |
|---|--|

Dish/Antenna Placement:

- |                               |                                 |
