VEHICLE PLACEMENT

FREEMAN charges a round-trip fee of \$152.80 per vehicle to place a vehicle on the tradeshow floor. It is understood that this will apply to rolling stock, self-propelled, towed and/or pushed vehicles and/or machinery.

FREEMAN will receive the equipment at show site and deliver to the exhibitor booth. We will also handle the outbound as an inclusive service.

The City Fire Marshal requires disconnecting the battery, taping the gas tank and placing a protective covering under the vehicle. Check local Fire Safety Regulations for additional requirements.

Please be advised that, if you are planning to display a vehicle, you are required to provide the information listed on this page.

A FREEMAN representative will contact you regarding a specific time when to have your vehicle ready to go onto the tradeshow floor.
